27 EXPLANATION

28 The inclusion of this explanation does not constitute agreement with  
29 the explanation's substance by the members of the general assembly.

30       This bill enacts new Code chapter 562C to prohibit a  
31 city, county, or other governmental entity from penalizing a  
32 resident, owner, tenant, or landlord for a contact made for  
33 law enforcement assistance or other emergency assistance by  
34 or on behalf of a victim of abuse, a victim of a crime, or an  
35 individual in an emergency if the person who made the contact

1 reasonably believed that emergency assistance was necessary to  
2 prevent the perpetration or escalation of the abuse, crime,  
3 or emergency, or if the intervention or emergency assistance  
4 was actually needed. The bill prohibits cities, counties,  
5 and other governmental entities from adopting any ordinances,  
6 rules, or regulations that relate to the right of a resident,  
7 owner, tenant, or landlord to summon law enforcement assistance  
8 or other emergency assistance, and provides that such  
9 ordinances, rules, or regulations are void, unenforceable, and  
10 of no force or effect as of July 1, 2015. If a city, county, or  
11 other governmental entity violates new Code chapter 562C, in  
12 addition to other remedies provided by law, a resident, owner,  
13 tenant, or landlord is entitled to recover a cease and desist  
14 order, other equitable relief, actual damages, attorney fees,  
15 or court costs.

16 The bill also prohibits an owner or landlord from  
17 restricting a resident's or tenant's right to summon law  
18 enforcement assistance or other emergency assistance by  
19 or on behalf of a victim of abuse, a victim of a crime, or  
20 an individual in an emergency, or impose monetary or other  
21 penalties on a person who exercises that right. If a tenant or  
22 resident waives this right, such waiver is void, unenforceable,  
23 and of no force or effect. If an owner or landlord violates  
24 new Code chapter 562C, in addition to other remedies provided  
25 by law, a resident or tenant is entitled to recover a civil  
26 penalty in an amount equal to one month's rent, actual damages,  
27 attorney fees, court costs, or injunctive relief.
